Call to Order: Chair Carmen Ramirez called the meeting to order at 3:41 p.m. Ramirez thanked everyone for being here today.

Amendment to the Agenda: None

Public Comment: None

Minutes: Approval of Meeting Minutes, April 18, 2019
Chair Ramirez asked if there were any comments on the April 18, 2019 minutes. With none, Ramirez asked for a motion to approve the minutes from April 18, 2019. Bob Huber motioned to approve the minutes from April 18, 2019. William Weirick seconded the motion. All Board members listed in attendance in favor, motion carried.

Shalene Hayman Briefly reviewed the April 2019 financials. Stenslie added that with staff transitions at the City of Oxnard their dues and contributions payments had fallen behind, but are now paid, though there was not enough time to post prior to printing the financials so still showing 90 plus days.

Ramirez asked if there were any questions. With none, Ramirez requested a motion to approve and file the April 18, 2019 Financials. William Weirick motioned to approve and file April 18, 2019. Manuel Minjares seconded the motion. All Board members listed in attendance in favor, motion carried.

Stenslie stated this is our third audit by Farber Hass Hurley LLP, after several years by Poindexter and Company. The Executive Committee reviewed the draft report at its meeting of May 1, approving the report with the addition of the 2018 comparatives, recommending its consideration and approval by the full Board.

Stenslie added that he would like to commend the excellent work of Kelly Noble, Shalene Hayman and Marvin Boateng for their exercise of our financial control systems, and for their assistance in the audit process.

Stenslie introduced the auditor for the year 2018, Michel Abedian from Farber Hass Hurley LLP.

Michel Abedian went through the financial statements explaining that the audit provides an unqualified opinion for the representation of these financial statements.

Abedian stated that there are no findings reported for 2018, and no findings from prior years requiring tracking.

Board members and the auditors had a brief discussion about the audit report, with the auditor answering questions on the details.

Ramirez stated that It is recommended by the Executive Committee that the Board approve the draft Auditor’s Report and Financial Statements for Fiscal Year Ending December 31, 2018. Kelly Long Motioned to approve the draft Auditor’s Report and Financial Statements for Fiscal Year Ending December 31, 2018. Bob Huber seconded the motion. Roseann
Mikos left prior to this motion. All remaining Board members listed in attendance in favor, motion carried.

**Consideration of a Contract with the Ventura County Children and Families First Commission, up to $35,000 to EDC for the Administration of the Community Investment Loan Fund, $350,000 in Loan Capital, for the Period July 1, 2019 – June 30, 2020. Recommendation to Approve.**

Stenslie gave the background of the loan fund explaining its program budget and loan pool.

Stenslie stated that five loans from First 5 funds are currently open, totaling $1,196,868, successfully leveraging an additional $568,132 in other loan funds, for a total of $1,765,000 loaned. The fund is extraordinarily cost effective, creating, 341 new child care slots—including 97 in the high value/tight market space for infants and toddlers—and creating 52 new jobs. For more detail, see attachment.

EDC-VC’s responsibilities under the agreement include:

- Conduct loan consultation for potential borrowers.
- Conduct risk-assessment of loan applicant and the proposed project.
- Provide or identify resources for pre-financing technical assistance to loan applicants in areas such as business planning, market research and analyses, real estate and capital finance information, facilities development budget and timeline, access to other funding, etc.
- Evaluate loan applications and make underwriting decisions.
- Establish and manage a loan board that operates as a decision making body, guiding the development of loan policies and procedures and making funding decisions for loans.
- Manage and monitor the use and repayment of loan funds, ensure compliance with the loan terms and program guidelines, forecast loan repayment challenges, and provide mitigation support before challenges become serious.
- Outreach to other commercial, public and community-based lending institutions to invite and secure participation and co-investment in the Community Investment Loan Fund.

Our motivations for engaging in this project are several:

1. Local analyses have identified a large gap between the capacity of the formal child care industry and community need and demand. In December 2010, the Local Child Care Planning Council reported that there are only 32,037 licensed child care slots, with capacity sufficient to serve only 36% of all children between birth and age 13 with all parents in the labor force (88,893 children, based on 59% of parents in the workforce).

2. Limited finance capacity and economic challenges within the industry—particularly limited access to capital—comprise two of the three greatest barriers to the development of facilities and to closing the gap between capacity and need (the other significant barrier is “regulatory,” that is, inconsistent local development standards, procedures and planning processes).

3. The child care industry is itself an economic driver in the economy as it enables parents to work and earn or upgrade their skills. If parents don’t have coverage for their children, we lose out on the human capital contributions of these parents.

4. High quality child care and early child education help prepare our youth for entering the formal education system and for developing the skills essential for succeeding in school and work throughout their lives. *Longitudinal analyses show that*
investments in early child education pay the highest returns for future earnings and avoidance of social costs. The skills of our future workforce are foundational to our long-term economic competitiveness.

Ramirez stated that it is recommended that the Board of Directors delegate authority to the President/CEO to sign a contract renewal with the Ventura County Children and Families First Commission (First 5 Ventura County), for the period July 1, 2019 – June 30, 2020, up to $385,000, of which up to $35,000 is for EDC-VC’s administration of $350,000 in new loan capital for the Community Investment Loan Fund. Kristin Decas motioned that the Board of Directors delegate authority to the President/CEO to sign a contract renewal with the Ventura County Children and Families First Commission (First 5 Ventura County), for the period July 1, 2019 – June 30, 2020, up to $385,000, of which up to $35,000 is for EDC-VC’s administration of $350,000 in new loan capital for the Community Investment Loan Fund. Bob Engler seconded the motion. Kelly Long abstained from this item. Roseann Mikos left prior to this motion. All remaining Board members listed in attendance in favor, motion carried.

Update on Ventura County Film Commission and Film Liaison Activity
Stenslie stated that In 2013 our Board approved a two year pilot to launch a more active role as the Ventura County Film Commission. The approved action established both the framework for funding—through voluntary assessments or contributions from the County, the cities and other stakeholders—and the contract function of “Film Liaison.”

In 2015 our Board re-affirmed its support for the Film Commission activity, and we have budgeted for it in each year since, anticipating $55,000 in revenue contributed by the County, cities and lodging association.

For more on the Film Liaison function and funding, see attached, “Film Liaison Funding Levels, 2019.”

Stenslie introduced Bill Bartels, The EDC Film Liaison. Bartels provided detailed information on film permits issued by jurisdiction and region and on the types of film activity most prevalent. Bill noted that film activity continues to trend upward, emphasizing that we the cities are now getting to be much more detailed in their reporting.

Continuing Discussion on the Development of a State/Regional Partnership for a “Regions-Up” Triple Bottom Line California Economic Development Strategy, Informed by and Inclusive of the State’s Several Regions; Identification by the Regions of Actions the State Might Take to Assist in Executing Our Regional Economic Development Priorities
Ramirez passed the gavel to the Secretary/Treasurer, Peter Zierhut stating that she has a prior engagement to attend.

Stenslie stated, as previously discussed, CA Forward and the California Stewardship Network have been in discussions about developing content for a “regions-up” triple bottom line (that is, equally attentive to economic opportunity, broadly shared equity, environmental balance) economic development strategy for California.

This work is moving forward on several fronts, though one urgent activity is to secure from the several regions around the state contributions of some eight to ten priorities that we’d urge the state to adopt to support us in our local and regional work. Central to this exercise is identifying items for which state action may be particularly important.

Staff presented a summary of our draft priorities at our Board meeting in April.
From that input, and through discussions with other regions throughout the state, we’ve refined our draft list that was included in your packet.

There was some discussion around the draft list. Stenslie stated that the report should be complete by the end of May or June.

**President’s Report**

Stenslie noted that the CA Public Utilities Commission recently held a hearing in Oxnard, at which he provided comment about the need for greater investment in broadband technology to support business growth and competitiveness.

**Committee/Liaison Reports:**

- **VCEDA**
  
  Michele Newell reminded the board of the Business Outlook Conference, being held at the Ventura County Office of Education facility on Adolfo Road in Camarillo on October 31. Newell stated that VCEDA’s policy committee is working to develop initiatives and goals for advocacy. They are hoping to have that by July.
