**ECONOMIC DEVELOPMENT COLLABORATIVE**  
**COVID-19 BUSINESS RESOURCE GUIDE**  
**March 18, 2020**

Our thoughts are with all who have been impacted by the recent outbreak of COVID-19. As business owners and leaders it is important to remain informed and prepared as this outbreak continues to impact our local and global communities. While recognizing social distancing is essential and important during this time, we do not want to overlook the importance of investing in our local economy.

The Economic Development Collaborative has compiled a list of resources now available for employees and employers who have been impacted by COVID-19. As new resources become available, this guide will be updated as needed.

### **IMMEDIATE STEPS TO TAKE**

---

As the spread and impact of COVID-19 is still an unknown, the EDC recommends employers and self-employed individuals to take the following action steps:

- 1. CONTACT YOUR INSURANCE PROVIDER-** Do you have business interruption insurance? If so, you may have coverage that supplements any income or sales loss during this time.
- 2. TRACK LOSSES-** During moments of disruption it is important to track any loss your business may have incurred as programs designed to assist cash flow needs and access to capital depend on accurate counts of economic injury or production loss.
- 3. DO YOU HAVE PERFORMANCE BASED CONTRACTS WITH YOUR SUPPLIERS OR CUSTOMERS?** - reviewing your current contracts and obligations will clarify limitations of liability and force majeure.
- 4. HAS YOUR BUSINESS EXPERIENCED DISRUPTION OR CONCERN IN THE FOLLOWING AREAS?**
  - Supply chain disruption and liability
  - Questions or concerns about the implications of tariffs
  - Technology plans for setting up remote work stations for employees
  - Concerns about cash flow during disruption
  - Concerns about credit and finance issues
  - Concerns about force majeure
- 5. NO-COST BUSINESS CONSULTING IS AVAILABLE!**  
**For businesses that have experienced the following concerns or disruptions our EDC SBDC Advisors can assist providing guidance during this time. Please contact the EDC office at 805.409.9159 to request an appointment.**

## ASSISTANCE FOR EMPLOYERS AND EMPLOYEES IN VENTURA AND SANTA BARBARA COUNTY

---

### ASSISTANCE FOR EMPLOYERS

**WORK SHARING PROGRAM-** Employers experiencing a slowdown in their businesses or services as a result of the Coronavirus impact on the economy may apply for the UI Work Sharing Program through the EDD. This program allows employers to seek an alternative to layoffs - retaining their trained employees by reducing their hours and wages that can be partially offset with UI benefits.

Workers of employers who are approved to participate in the Work Sharing Program receive the percentage of their weekly Unemployment Insurance benefit amount based on the percentage of hours and wages reduced, not to exceed 60 percent.

Visit the [Work Sharing Program](#) to learn more about its benefits for employers and employees, and how to apply.

**EXTENSION FILING PAYROLL TAX -** Employers statewide directly affected by the new coronavirus (COVID-

19) may request up to a 60-day extension of time from the EDD to file their state payroll reports and/or deposit payroll taxes without penalty or interest.

This extension may be granted under Section 1111.5 of the California Unemployment Insurance Code (CUIC). A written request for extension must be received within 60 days from the original delinquent date of the payment or return. For more information please visit [EDD website](#).

**EXTENSION FILING PERSONAL AND BUSINESS TAXES-** The Franchise Tax Board announced special tax relief for California taxpayers affected by the COVID-19 pandemic. Affected taxpayers are granted an extension to file 2019 California tax returns and make certain payments to June 15, 2020, for all tax filings and payments due between March 15, 2020, through June 15, 2020. For more information please visit the [Franchise Tax Board website](#).

## **ASSISTANCE FOR EMPLOYEES**

**UNEMPLOYMENT INSURANCE-** Individuals who have had their hours reduced or have lost their job through no fault of their own may be eligible for unemployment benefits. Learn more by visiting the [EDD website](#).

**NOTE:** Governor's Emergency Proclamations waive the non-payable one-week waiting period for regular UI benefit payments to eligible individuals affected by current disasters. This means individuals can be paid benefits for the first week they are unemployed due to the disaster.

**DISABILITY INSURANCE-** Individuals who are unable to work due to having or being exposed to [COVID-19 \(certified by a medical professional\) can file a Disability Insurance \(DI\) claim](#).

Disability Insurance provides short-term benefit payments to eligible workers who have full or partial loss of wages due to a non-work-related illness, injury, or pregnancy. Benefit amounts are approximately 60-70 percent of wages (depending on income) and range from \$50-\$1,300 a week.

**PAID FAMILY LEAVE-** Californians who are unable to work because they are caring for an ill or quarantined family member with COVID-19 (certified by a medical professional) can [file a Paid Family Leave \(PFL\) claim](#).

Paid Family Leave provides up to six weeks of benefit payments to eligible workers who have a full or partial loss of wages because they need time off work to care for a seriously ill family member or to bond with a new child.

## **RECOMMENDATIONS FOR EMPLOYERS TO TAKE NOW**

---

***Note: This information is not intended to be used as medical advice. Please contact your local health professional or visit the [CDC website](#) for further information.***

### **Actively encourage sick employees to stay home:**

Employees who have symptoms of acute respiratory illness are recommended to stay home and

not come to work until they are free of fever (100.4° F [37.8° C] or greater using an oral thermometer), signs of a fever, and any other symptoms for at least 24 hours, without the use of fever-reducing or other symptom-altering medicines (e.g. cough suppressants). Employees should notify their supervisor and stay home if they are sick.

Ensure that your sick leave policies are flexible and consistent with public health guidance and that employees are aware of these policies.

Talk with companies that provide your business with contract or temporary employees about the importance of sick employees staying home and encourage them to develop non-punitive leave policies.

Do not require a healthcare provider's note for employees who are sick with acute respiratory illness to validate their illness or to return to work, as healthcare provider offices and medical facilities may be extremely busy and not able to provide such documentation in a timely way.

Employers should maintain flexible policies that permit employees to stay home to care for a sick family member. Employers should be aware that more employees may need to stay at home to care for sick children or other sick family members than is usual.

#### **Separate sick employees:**

CDC recommends that employees who appear to have acute respiratory illness symptoms (i.e. cough, shortness of breath) upon arrival to work or become sick during the day should be separated from other employees and be sent home immediately. Sick employees should cover their noses and mouths with a tissue when coughing or sneezing (or an elbow or shoulder if no tissue is available).

#### **Emphasize staying home when sick, respiratory etiquette and hand hygiene by all employees:**

Place posters that encourage [staying home when sick, cough and sneeze etiquette](#), and [hand hygiene](#) at the entrance to your workplace and in other workplace areas where they are likely to be seen.

Provide tissues and no-touch disposal receptacles for use by employees.

Instruct employees to clean their hands often with an alcohol-based hand sanitizer that contains at least 60-95% alcohol, or wash their hands with soap and water for at least 20 seconds. Soap and water should be used preferentially if hands are visibly dirty.

Provide soap and water and alcohol-based hand rubs in the workplace. Ensure that adequate supplies are maintained. Place hand rubs in multiple locations or in conference rooms to encourage hand hygiene.

Visit the [coughing and sneezing etiquette](#) and [clean hands webpage](#) for more information.

#### **Perform routine environmental cleaning:**

Routinely clean all frequently touched surfaces in the workplace, such as workstations, countertops, and doorknobs. Use the cleaning agents that are usually used in these areas and follow the directions on the label.

No additional disinfection beyond routine cleaning is recommended at this time. Provide disposable wipes so that commonly used surfaces (for example, doorknobs, keyboards, remote controls, desks) can be wiped down by employees before each use.

#### **Advise employees before traveling to take certain steps:**

Check the [CDC's Traveler's Health Notices](#) for the latest guidance and recommendations for each country to which you will travel. Specific travel information for travelers going to and returning from China, and information for aircrew, can be found at on the [CDC website](#). Advise employees to

check themselves for symptoms of [acute respiratory illness](#) before starting travel and notify their supervisor and stay home if they are sick.

Ensure employees who become sick while traveling or on temporary assignment understand that they should notify their supervisor and should promptly call a healthcare provider for advice if needed.

If outside the United States, sick employees should follow your company's policy for obtaining medical care or contact a healthcare provider or overseas medical assistance company to assist them with finding an appropriate healthcare provider in that country. A U.S. consular officer can help locate healthcare services. However, U.S. embassies, consulates, and military facilities do not have the legal authority, capability, and resources to evacuate or give medicines, vaccines, or medical care to private U.S. citizens overseas.

## U.S. SMALL BUSINESS ADMINISTRATION FACT SHEET – ECONOMIC INJURY DISASTER LOANS

### CALIFORNIA Declaration #16332

(Disaster: CA-00313)

Incident: **CORONAVIRUS (COVID-19)**

occurring: January 31, 2020 & continuing

in the California counties of: **Alameda, Calaveras, Contra Costa, Los Angeles, Sacramento, San Diego, San Francisco, San Mateo, Sonoma & Tuolumne;**  
and the contiguous California counties of: **Alpine, Amador, El Dorado, Imperial, Kern, Lake, Madera, Marin, Mariposa, Mendocino, Merced, Mono, Napa, Orange, Placer, Riverside, San Bernardino, San Joaquin, Santa Clara, Santa Cruz, Solano, Stanislaus, Sutter, Ventura & Yolo**

**Application Filing Deadline: December 16, 2020**

#### Disaster Loan Assistance Available:

Economic Injury Disaster Loans (EIDLs) – Working capital loans to help small businesses, small agricultural cooperatives, small businesses engaged in aquaculture, and most private, non-profit organizations of all sizes meet their ordinary and necessary financial obligations that cannot be met as a direct result of the disaster. These loans are intended to assist through the disaster recovery period.

#### Credit Requirements:

- Credit History – Applicants must have a credit history acceptable to SBA.
- Repayment – Applicants must show the ability to repay the loan.
- Collateral – Collateral is required for all EIDL loans over \$25,000. SBA takes real estate as collateral when it is available. SBA will not decline a loan for lack of collateral, but SBA will require the borrower to pledge collateral that is available.

#### Interest Rates:

The interest rate is determined by formulas set by law and is fixed for the life of the loan. The maximum interest rate for this program is 4 percent.

#### Loan Terms:

The law authorizes loan terms up to a maximum of 30 years. SBA will determine an appropriate installment payment based on the financial condition of each borrower, which in turn will determine the loan term.

#### Loan Amount Limit:

The law limits EIDLs to \$2,000,000 for alleviating economic injury caused by the disaster. The actual amount of each loan is limited to the economic injury determined by SBA, less business interruption insurance and other recoveries up to the administrative lending limit. SBA also considers potential contributions that are available from the business and/or its owner(s) or affiliates. If a business is a major source of employment, SBA has the authority to waive the \$2,000,000 statutory limit.

#### Loan Eligibility Restrictions:

Noncompliance – Applicants who have not complied with the terms of previous SBA loans may not be eligible. This includes borrowers who did not maintain required flood insurance and/or hazard insurance on previous SBA loans.

**Note:** Loan applicants should check with agencies / organizations administering any grant or other assistance program under this declaration to determine how an approval of SBA disaster loan might affect their eligibility.

#### Refinancing:

Economic injury disaster loans cannot be used to refinance long term debts.

#### Insurance Requirements:

To protect each borrower and the Agency, SBA may require you to obtain and maintain appropriate insurance. By law, borrowers whose damaged or collateral property is located in a special flood hazard area must purchase and maintain flood insurance. SBA requires that flood insurance coverage be the lesser of 1) the total of the disaster loan, 2) the insurable value of the property, or 3) the maximum insurance available.

Applicants may apply online, receive additional disaster assistance information and download applications at <https://disasterloan.sba.gov/ela>. **WHEREAS**, the intent of this Order is to strengthen the steps the County of Ventura has already taken to protect our residents and particularly the most vulnerable in our population from COVID-19; and

**WHEREAS**, on March 15, 2020 Governor Gavin Newsom announced that California is taking additional measures to protect those most at risk of serious, life-threatening complications from COVID-19, including urging those most vulnerable to COVID-19 to socially isolate at home, such as people age 65 and older and those with underlying medical conditions that make them more susceptible to serious illness from the coronavirus; and

**WHEREAS**, the intent of this Order is to ensure that specified individuals self-isolate in their places of residence to the maximum extent feasible to slow the spread of COVID-19 to the maximum extent possible, and all provisions of this Order should be interpreted to effectuate this intent; and

**WHEREAS**, social isolation is considered useful as a tool to control the spread of pandemic viral infections; and

**WHEREAS**, social isolation is the shared responsibility of all individuals in the County; and

**WHEREAS**, this Order is issued based on evidence of increasing occurrence of COVID-19 within the County and scientific evidence that the age, condition, and health of a significant portion of the population of the County places it at risk for serious health complications, including death, from COVID-19; and

**WHEREAS**, the scientific evidence shows that at this stage of the emergency, it is essential to slow virus transmission as much as possible to protect the most vulnerable and to prevent the health care system from being overwhelmed and that one proven way to slow the transmission is to limit interactions among people to the greatest extent practicable;

**WHEREAS**, by reducing the spread of the COVID-19 virus, this Order also helps preserve critical and limited healthcare capacity in the County; and
