#### **Future Developments**

For the latest information about Form 4506-T and its instructions, go to www.irs.gov/form4506t. Information about any recent developments affecting Form 4506-T (such as legislation enacted after we released it) will be posted on that page.

What's New. As part of its ongoing efforts to protect taxpayer data, the Internal Revenue Service announced that in July 2019, it will stop all third-party mailings of requested transcripts. After this date masked Tax Transcripts will only be mailed to the taxpayer's address of record.

If a third-party is unable to accept a Tax Transcript mailed to the taxpayer, they may either contract with an existing IVES participant or become an IVES participant themselves. For additional information about the IVES program, go to www.irs.gov and search IVES.

#### **General Instructions**

Caution: Do not sign this form unless all applicable lines have been completed.

**Purpose of form.** Use Form 4506-T to request tax return information. Taxpayers using a tax year beginning in one calendar year and ending in the following year (fiscal tax year) must file Form 4506-T to request a return transcript.

**Note:** If you are unsure of which type of transcript you need, request the Record of Account, as it provides the most detailed information.

Customer File Number. The transcripts provided by the IRS have been modified to protect taxpayers' privacy. Transcripts only display partial personal information, such as the last four digits of the taxpayer's Social Security Number. Full financial and tax information, such as wages and taxable income, are shown on the transcript.

An optional Customer File Number field is available to use when requesting a transcript. This number will print on the transcript. See Line 5 instructions for specific requirements. The customer file number is an optional field and not required.

**Tip.** Use Form 4506, Request for Copy of Tax Return, to request copies of tax returns.

Automated transcript request. You can quickly request transcripts by using our automated self-help service tools. Please visit us at IRS.gov and click on "Get a Tax Transcript..." under "Tools" or call 1-800-908-9946.

Otherwise, enter the first social security number (SSN) or your individual taxpayer identification number (ITIN) shown on the return. For example, if you are requesting Form 1040 that includes Schedule C (Form 1040), enter your SSN.

Line 3. Enter your current address. If you use a P.O. box, include it on this line.

**Line 4.** Enter the address shown on the last return filed if different from the address entered on line 3.

Note: If the addresses on lines 3 and 4 are different and you have not changed your address with the IRS, file Form 8822-Change of Address. For a business address, file Form 8822-B, Change of Address or Responsible Party — Business.

**Line 5b.** Enter up to 10 numeric characters to create a unique customer file number that will appear on the transcript. The customer file number **should not** contain an SSN. Completion of this line is not required.

**Note.** If you use an SSN, name or combination of both, we will not input the information and the customer file number will reflect a generic entry of "999999999" on the transcript.

**Line 6.** Enter only one tax form number per request.

Signature and date. Form 4506-T must be signed and dated by the taxpayer listed on line 1a or 2a. The IRS must receive Form 4506-T within 120 days of the date signed by the taxpayer or it will be rejected. Ensure that all applicable lines are completed before signing.

You must check the box in the signature area to acknowledge you have the authority to sign and request the information. The form will not be processed and returned to you if the box is unchecked.

Individuals. Transcripts of jointly filed tax returns may be furnished to either spouse. Only one signature is required. Sign Form 4506-T exactly as your name appeared on the original return. If you changed your name, also sign your current name.

Generally, Form 4506-T can be signed by: (1) an officer having legal authority to bind the corporation, (2) any person designated by the board of directors or other governing body, or (3) any officer or employee on written request by any principal officer and attested to by the secretary or other officer. A bona fide shareholder of record owning 1 percent or more of the outstanding stock of the corporation may submit a Form 4506-T but must provide documentation to support the requester's right to receive the information.

**Partnerships.** Generally, Form 4506-T can be signed by any person who was a member of the partnership during any part of the tax period requested on line 9.

**All others.** See section 6103(e) if the taxpayer has died, is insolvent, is a dissolved corporation, or if a trustee, guardian, executor, receiver, or administrator is acting for the taxpayer.

**Note:** If you are Heir at law, Next of kin, or Beneficiary you must be able to establish a material interest in the estate or trust.

**Documentation.** For entities other than individuals, you must attach the authorization document. For example, this could be the letter from the principal officer authorizing an employee of the corporation or the letters testamentary authorizing an individual to act for an estate.
