SACRAMENTO, Calif. – Low-interest federal disaster loans are available to California businesses and residents affected by the December 2023 Storm and Flooding that occurred Dec. 21 - 23, 2023, announced [Administrator Isabella Casillas Guzman](#) of the U.S. Small Business Administration. SBA acted under its own authority to declare a disaster in response to a request SBA received from Gov. The disaster declaration makes SBA assistance available in Kern, Los Angeles, Santa Barbara and Ventura counties.

“SBA’s mission-driven team stands ready to help California’s small businesses and residents impacted by the storm and flooding,” said Administrator Guzman. “We’re committed to providing federal disaster loans swiftly and efficiently, with a customer-centric approach to help businesses and communities recover and rebuild.”

“Low-interest federal disaster loans are available to businesses of all sizes, most private nonprofit organizations, homeowners and renters whose property was damaged or destroyed by this disaster,” said Associate Administrator Francisco Sánchez of the U.S. Small Business Administration’s Office of Disaster Recovery & Resilience. “Beginning Saturday, Jan. 13, SBA customer service representatives will be on hand at the following Disaster Loan Outreach Center to answer questions about SBA’s disaster loan program, explain the application process and help each individual complete their application,” Sánchez continued.
